FACULTY

Administrators Work Together

Mr. Spear and Mr. Busard work together to make the Northville School System run smoothly.

There are many new faces in the Administration Office. Mr. Spear, former Assistant Superintendent, has now taken over the Superintendent's post. A newly-formed office, Curriculum Coordinator, was filled by Florence Panattoni, former high school Speech teacher. Mr. Earl Busard has taken over position of Business Manager.

Miss Panattoni has taken over the new position of Curriculum Coordinator.

High School Administration

Mr. Holdsworth and Mr. Longridge work together to keep the High School system in good order. This is the second year as Principal of NHS for Mr. Holdsworth. Mr. Longridge moved up from Athletic Director to assistant Principal during this past year, when Mr. Horwath became Principal of the Amerman School.

Secretaries and Librarians

Mrs. Rollings, Mrs. Hay, and Mrs. Zayti all lend a helping hand in the office to keep things running smoothly.

Because of an accident last year, Mrs. Sullivan, High School librarian, was unable

to return to her post at the beginning of the school year. Mrs. Haynes took over the position and had the library ready for use when school opened.

During the year the new library has opened.

Mrs. Hay, (left) took over Mrs. Zayti's secretarial position this year.

Mrs. Zayti now runs the bookstore in addition to being the accounting secretary.

Counselors And Students Look Toward the Future

Mr. Hyde gives a helping hand to CO-OP students.

The counselors, working together with Mrs. Miller, combine to form a well-balanced schedule for all students. They help to direct students in the right direction by suggesting the classes, subjects, and eventually, the colleges appealing to the individual student.

Mr. Brown reminds students to get college applications in early.

Revised Curriculum Adds Depth to Language Arts Dept.

A revised and expanded curriculum was the most noteworthy achievement of the English Department for this year. As eleventh-grade English teacher, Mr. Riddell commented, "The department has attempted to provide a program where each student can experience greater success than before. Each grade is divided into three levels: Basic, Regular, and Honors. This allows the student to work more at his own speed."

This program has been a success not only in the eyes of the teachers but also has been popular among the students, particularly Basic English. This section, under the direction of Mr. Hudson, caters to the student

with reading difficulty and related English problems.

Another major change was of benefit to the seniors. It involved shifting English Literature back to the eleventh grade and American Literature to the tenth grade. Thus stimulating new interest among the seniors and underclassmen as well.

Our Foreign Language Department has also been on the move. Moving, that is, into their new language lab recently installed in D-50. The department has also expanded to include German I and French III, along with already offered Spanish I, II and III and French I and II.

Mrs. Bray and Mrs. Brown, foreign language instructors, teach classes in German and French. Mrs. Smith (not pictured) teaches Spanish.

Science Department Expands Lab Facilities

Mr. Rusche listens as Peggy Cook asks about a cell structure.

This year the Science Department has a new physics lab, including a work room and a student project room where students may work on individual projects during the class period. These new facilities along with several new pieces of equipment are a fine addition to the Science Department. Now the chemistry, physics, and biology classes each has a room and lab of its own.

The newest member of the Science Department is Mr. Palmer, who teaches biology and life science.

Math Program Stimulates Student Interest

Mr. Osborn, algebra teacher, uses the new over-head projector to explain and illustrate the application of the quadratic formula.

"The Math Department feels that the new curriculum is quite a success as they are doing more for all students." This comment by Miss Lance, Department head sums up the feelings concerning our revised Mathematics Department.

This department is organized so students can choose courses which best fit their ability. For instance, in the ninth grade, each student chooses from four courses: basic mathematics, algebra-math (a two-year course for the student who cannot complete algebra I in one year), algebra I, and geometry for accelerated students.

This program continues throughout the next three years offering such courses as algebra I, geometry, algebra II, advanced math I and advanced math II.

The entire program is designed to stimulate interest in mathematics and to give the student the best possible working knowledge of the subject.

The girls from second hour geometry seek additional help from Mr. Madden, who returned to our school system last year after completing his Masters Degree at Michigan State.

Greater Variety of Courses In Social Studies

Variety and flexibility mark this year's Social Studies Department. As in other departments, the social studies program has been revamped to better meet the needs of individual students. Students under this choose from three levels of study: Basic, Regular or Accelerated.

The department also has many long-range goals. Among them is the plan to eventually arrive at a curriculum which will allow all required social studies courses to be completed before the senior year. This affords seniors with a greater freedom of choice in their senior year.

Under the present program, courses such as geography, world history, U.S. history, American government, economics, sociology and world problems, are offered.

New Co-op Updates Business Program

Teaching the basic fundamentals of the business world is the major objective of the Business Education Department. It teaches budding secretaries and businessmen such things as typing, shorthand, office machines, business English and mathematics, bookkeeping, and the newly added retailing.

The addition of retailing allowed N.H.S. to revive its co-operative program. A vocational-educational course, the co-op enables students to spend half their day in school, and the other half getting valuable on-the-job-experience.

The Business Department hopes to expand further as soon as room permits. It plans to offer such things as an office practice class, a business law class, shorthand II and more typing classes.

Mrs. Osborn offers suggestions in Typing I.

Miss Stanley Heads Home Ec.

The Home Economics Department offers a full four years of home economics plus a semester of home and family living. Several areas are studied such as foods and nutrition, textiles and clothing, child growth and development, health and safety, and household equipment.

The girls in home ec. particularly enjoy the practical application of theories and techniques.

Practical Arts

Industrial Arts covers several areas. There are three machine metals courses, which begin by furnishing elementary information in metal work and advance to work in automotive welding. In automotive mechanics students work on chassis and engines and learn the fundamentals of electricity in the automobile. A garage service analysis is taken to check maintenance skills on automobiles.

Electricity and electronics courses are also offered in which students do experimental work and advanced problems.

Four years of drafting and mechanical drawing are offered and they are taught by Mr. Anderson. Revolution problems, drawing machine parts, building model homes and die design problems are examples of this extensive program.

Mr. Anderson plans for his drafting and mech. drawing classes.

Fine Arts Program Enhances

Four years of art are offered under the direction of Mr. Pedersen. Art students are taught how to work with metals, and ceramics in addition to paints, chalk, and pencil. The highlight of the art classes is the student art show held in the Spring.

"Nice lines—Eh, Skip?"

Talent

Music is big at Northville. We are very proud of our Band, under the fine direction of Mr. Williams, and our Choir conducted by Mr. Valentine. Both the Choir and the Band have provided enjoyable entertainment throughout the year. The musical, "Bye Bye Birdie", is in the planning stages for spring.

A two year Phys. Ed. program is offered at Northville for both boys and girls. A program consisting mainly of archery, volleyball, basketball, track and baseball is scheduled yearly for the girls. Boys participate in much the same sports, in addition to wrestling, beano, and football.

A big addition to this department will be swimming when the new pool is completed.

Mr. Longridge, Mr. Kucher and Miss Bubel are not only Physical Education teachers but fill the role as coaches at Northville High. Mr. Longridge, our Athletic Director, coaches Varsity Basketball and assists Mr. Klukach with Football while Mr. Kucher coaches JV Basketball in addition to her full-time job as G.A.L. sponsor and director.

Others coaches are Mr. Osborn, cross-country; Mr. Redmond, Track; Mr. Townsley, Wrestling; and Mr. Willing, football assistant.

These few people are the promoters of a major part of our Sports and Athletic Activities.

ACTIVITIES

H O M E

"Everything was perfect," said Luanne. And Homecoming 67-68 was exactly that!

The bonfire Thursday night found enthusiastic fans bashing up an old car, proclaiming, "Smash the Wolves." Friday night the spirited Northville team did exactly that, beating the Clarkston Wolves 7-0. Though that was the real highlight, Friday night found other things happening, too. First the slightly sopping parade through town featuring Queen Luanne and her Homecoming Court. Next the half-time parade of floats with Senior Mascot Snoopy leading the way taking top honors. The evening was complete with the presentation of Queen Luanne and the 67-68 Homecoming Court.

CAMELOT

Saturday night the Queen and her Court reigned over Camelot. The dance was the climax of the weekend's Homecoming activities. At the stroke of 9 Luanne and her Court were announced to the royal ballroom. Couples danced til 12 to the music of the N.H.S. Dance Band.

Luanne summed up everyone's feelings by saying, "The Homecoming Weekend was the happiest experience I ever had. I will cherish the memory forever."

For the Future

Future Homemakers

Work, planning, and new members have enhanced this year's F.H.A. Interested students from the eighth grade have joined the high school members of the club this year.

F.H.A. activities have been various and worthwhile. The club's annual candied apple sale raised money to send to Care to aid underprivileged children. Table decorations were made for a Christmas service to send to Hawthorne Center. A sewing project will send articles to Viet Nam.

Future Teachers

The Future Teacher's Club has been busy this year as usual. Some of their projects are cadet teaching which involves students actually teaching in the elementary grades, projects for schools such as Our Lady of Providence, helping the mentally retarded, and of course the usual money raising projects. "The purpose of F.T.A. is to give students some idea of the teaching profession and help point out different areas to go into as a teacher," commented Mrs. Osborne.

Honor Society

This year the Honor Society is trying several new activities. One of them is a tutoring program for N.H.S. students. Another is a program of helping the elementary teachers with some of their teaching tasks, making visual aids, and helping slower children.

Every year the Honor Society gives a scholarship to one of the seniors. This year, to raise money for this, the Honor Society had a semi-formal dance.

Honor Society officers for this year are: Chuck Keegan - Pres., Mike Conley - V. Pres., Alison Lyke - Sec., Pam Smith - Treas. Sponsor—Mr. Skow.

Members of the Library Club promote and maintain library service for students of N.H.S.

Aside from their librarian duties the club sponsored a candy sale and dance. The money raised from these activities goes to a Senior scholarship fund.

N.H.S. Expresses Leadership in . . .

Student Council

Student Council is a major link in the chain which makes up Northville High School. It links the administration, faculty and students; clubs and organizations to students; and students to students.

It is the student policymaking and governing body of the school. It coordinates student activities, hears student grievances and, in general, acts to lift the standards of the school and promote student interest.

This year, Council acted in such areas as new parking revisions and a proposed open lunch hour, plus fund raising activities.

The 67-68 officers are Mayor, Bruce Mach; V.-Mayor, Dan Wortman; Sec. Rhonda Bogiovanni; Treas. Jane Jerome.

Model United Nations is a student organization sponsored by the University of Detroit which strives to give members a working knowledge of our United Nations.

Students become members of foreign delegations and debate from their point of view the same issues which are before the United Nations in New York.

Sing A Song of N.H.S.

Students of N.H.S. always seem able to find a way to get their point across, to express themselves. The students of the N.H.S. choral music department, lead by Mr. Valentine, have found a good way of doing this. They've presented concerts, chapel services, and, new this year, a musical "Bye, Bye Birdie".

And the Bands Play On

What's a parade without a band? What's a march like without a band playing? What would NHS be like without their band?

Under the direction of Mr. Robert Williams, President, Gary Becker and Secretary-Treasurer, Stacey Evans, the marching band is a part of all major activities. One of their biggest duties is the half-time show at home games, the most noteworthy of which is the Homecoming game and parade. After the Homecoming game the band changes into a concert band, giving concerts and attending Festival.

The Dance Band, also directed by Mr. Williams, is a favorite for dances and proms for many schools around. It also performs as a Jazz Band, attending clinics and giving jazz concerts.

The pep band helps build spirit at games and assemblies.

“Driftwood

A dream to remember, a memory to cherish, “Driftwood and Dreams”.

The class of 69 held their Junior Prom on a wintry evening at Schoolcraft College. This was the first time a class has held their Junior Prom outside Northville. Friday, January 13 Junior couples danced from nine o'clock till twelve, to an 18 piece band. A misty atmosphere, carried out by crepe paper, twinkle lights and a pond of mist, helped to carry out the theme — “Driftwood and Dreams”.

Cheerleaders Cheer Us On to Victory

Cheer leaders are for cheer leading, but sometimes they do more. The NHS Cheerleaders seem to have a knack for building spirit and giving the team the utmost in support, besides leading NHS in peppy cheer during our games.

This summer the cheerleaders went to Camp All American with nothing more than their skill and came back with three trophies. The squad took a second place trophy, Luanne Godfrey took a second in best all-around cheerleader, and Julia Williams came back with the prettiest cheerleader trophy.

Besides trophies the squad brought back with them a host of new cheers, lifts, and pompom routines. As an added attraction, the varsity cheerleaders got new peppy orange uniforms.

The Pom-Pom Girls, christened the Fillies, are a new group that started this year at NHS. The group is composed of 17 junior and senior girls who do pom-pom routines during half-time at basketball games and at pep assemblies.

Under the direction of Miss Dorrian, the girls have worked out 5 different routines to various music selections.

Pep Club

Enthusiasm and school spirit are the main ingredients of Pep Club. Members provide hall and locker signs, and promote interest in football and basketball games.

This year, aside from their regular support of basketball and football games, Pep Club has promoted wrestling and spring sports.

Other activities this year included a dance, bake sale and a pizza party with N-Club.

In Its Season

All year 'round something is happening in GAL, something for everyone. GAL offers almost any sport for any girl who feels like having fun while enjoying a sport. One of the highlights of the intermural sports was the All Stars vs Faculty-Alumni basketball game. (The Faculty-Alumni eeked out 17-72 victory this year).

Some other special activities, the annual p.j. party, the Father-daughter banquet and the Awards banquet made this an exciting year for GAL'ers.

The skill varsity basketball team coached by Miss Bubel, had another of their usually good seasons. Their winning record was 5-2. A good job.

Palladium Producers

Memories, memories is what school year is full of. The "Palladium" records these memories, so they can be looked back on in future years.

Organization for this year's "Palladium" was begun last spring a sponsor, Mr. Riddell selected his staff and named an editor. The group met again early in the fall and proceeded to turn out the 67-68 "Palladium".

The concept of this year's "Palladium" was not only to turn out a book for graduating Seniors, but also to record the actions of the underclassmen and to show their place in Northville High School. It also serves as a medium of communication between the school and the community, by which the work, the quality and the activities of our school system may be judged.

“Mustanger” Makes It Happen

A good paper takes discussion after publication too.

“Changes taking place in the Journalism Department” and an “excellent staff” are the things which, according to Mr. Ralph Redmond, “Mustanger” sponsor, made possible this year’s accomplishments.

Besides providing almost monthly issues of school news, this was a year of firsts for the “Mustanger”. Perhaps the greatest single accomplishment of 1967-68 was N.H.S.’s first all school newspaper. This involved covering not only high school news, but news of all the other schools in the system as well. A second first for NHS was the introduction of a literary magazine, Probe. This was designed to give recognition to student talent in the fields of: poetry, prose, art and photography.

The “Mustanger” staff executives for 67-68 are: (front row) l-r, B. Collacot - copy editor, J. Brown - feature ed., R. Bell - advertising, J. Tyler - business manager, K. Hall - managing ed., V. Round - editor-in-chief, D. Hollaman - sports ed., B. Hubbert - promotion.

Forensics Makes Many Changes

Change, is the word for this year's Forensic, Thespian, Drama departments.

Forensics held it's annual Christmas party and end of the year banquet, but tried something new with a special dress-up dance, "Christmas Whirl". They also sponsored a morning radio program, "WNHS's Morning Ride".

Thespians big undertaking for the year was an all school variety show, "Discovery" — Northville style.

In spring there was the usual spring forensics contest and the biggest change of all in the drama departments. This year the all school play was handled by the drama classes. "A Majority of One" was directed by Mrs. Torma and Mr. Saunders, with the major work done by the drama classes.

Still another change was from the usual operetta to a Broadway musical, "Bye, Bye Birdie". Directed by Mr. Valentine.

Forensic club's officers for this year are P. Smith - Pres., C. Becker - V. Pres., J. Oglivie - Sec., and B. Smith - Treas.

The stage sure is big when you're up there giving your reading.

"A Majority of One" directed by Mrs. Torma took many nights of practice.

Thespians is an honorary Forensic Club. Members must work on various Forensic activities, getting points to become a Thespian member.

Prize Winning

The female members of the varsity squad, with their varied trophies: Pam Smith, Chris Becker, Pam Witzke, Jeannette Gensley, missing are Scott Bergo and Bruce Mach.

“Resolved: that Congress should establish uniform regulations to control criminal investigation procedures,” was the proposition that led this year’s debate teams to victory.

For the first time this year Debate was a regular class and it gave ample opportunity to practice and discuss the issues of crime.

The Varsity Team scored many wins as they won a three foot school trophy plus two individual trophies in the Varsity league and then went on to take high honors in the WOCL.

Four trophies were won by this year’s JV squad in their novice debate league. All first year debators, they worked hard for their honors.

J.V. debators: B. Mach, S. Bergo, B. Armstrong, D. Holdsworth, K. Barnes, V. Round.

Many and varied have been the activities of Art Club this year. Members designed and constructed the sets for the two school plays, "A Majority of One", and "Bye Bye Birdie". The club painted Christmas scenes on windows for children at Plymouth State Home and the State Hospital. They also furnished the high school with a new Christmas Scene.

Art Club has kept other clubs supplied with posters for their various activities during the year. A new project begun this year is a mural of the high school, to be placed in the library when completed next year.

Pam Smith, Michigan's Junior Miss

"Winner" is Pam Smith's middle name. Pam is forever winning honors scholastically, in Debate and in the Voice of Democracy contest, but this year she topped herself. On January 28 Pam was named Michigan's Junior Miss, an honor not only for Pam but for all of Northville.

It all started on December 2, 1967, when Pam was named Northville's Junior Miss. Then a month later in state competition Pam became Michigan's Junior Miss. Then followed a hectic week in Mobile, Alabama, climaxed by her appearance on national television.

When judged on beauty, ability, talent and poise, NHS agrees Pam is a "winner".

“The thrill of victory, the agony of defeat,” and all that jazz. “Win a few, lose a few”, and “its not whether we won or lost, but how we played the game”. But seriously, 1967-68 has been a great year for everyone from Freshmen to Seniors. Few weeks have passed without the excitement and enjoyment of some event or activity planned and carried through by clubs represented on these pages. Everything from Homecoming to bake sales has added some degree of pleasure to this year at Northville High School.

Three Shutouts Highlight Improved Season

The Mustang gridders, under the guidance of Head Coach Alex Klukach and Assistant Coaches Ralph Redmond and Richard Willing, came on strong after a slow start to post a 4-4 season record. Their 4-3 league record was adequate enough to gain a share of fourth place with Bloomfield Hills.

Some of the outstanding players, according to Coach Kulkach, were ends Greg Carr and Bob Hubbert.

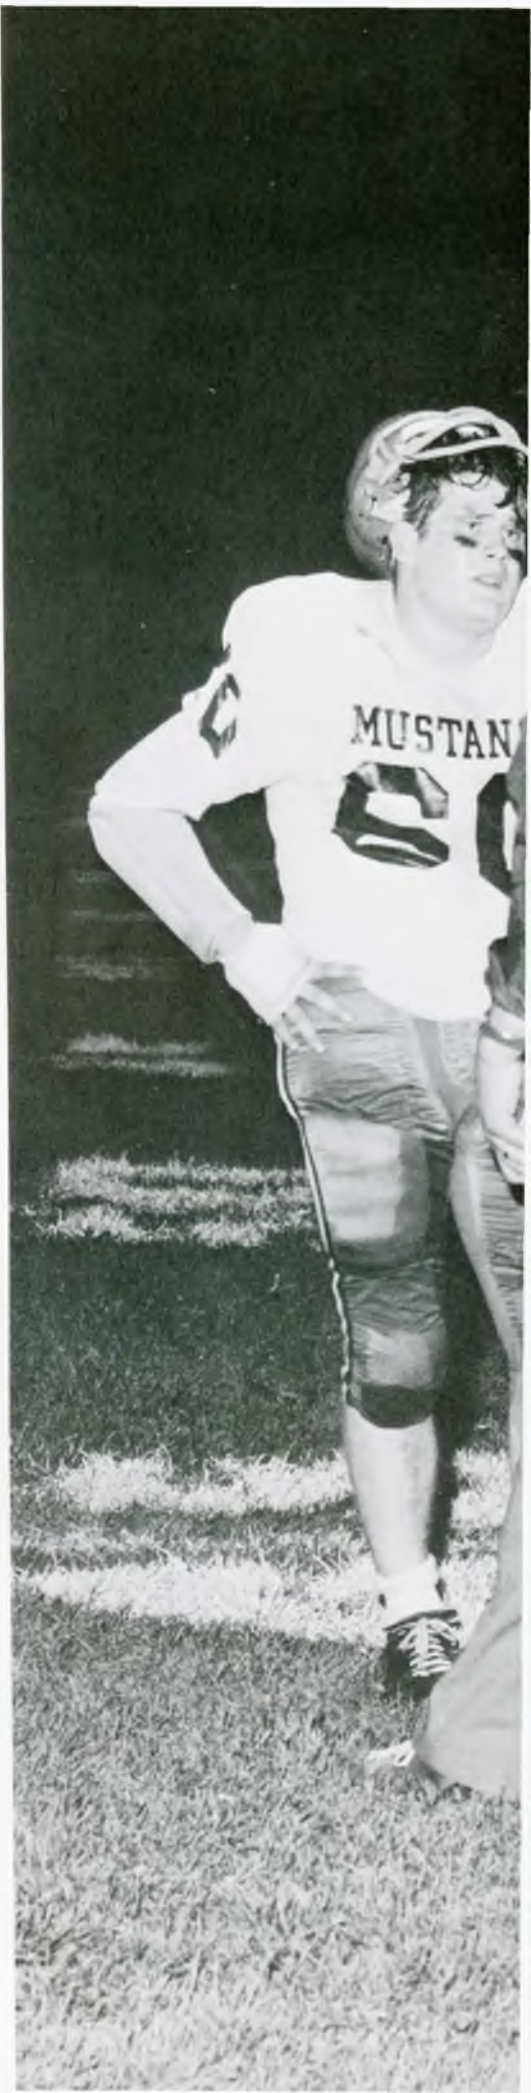

"Carr was our biggest threat. He had a real good year. He was double-covered throughout the season, and Joe Andrews threw some good passes. Bob Hubbert helped the team with his kicking. We managed to stay in a couple of ball games with his help."

Coach Kulkach pointed out a few season surprises in Bob Hicks, a junior tackle; Terry Mills, a sophomore back; and Stan Nirider, a junior defensive safety.

Captain and guard Jerry Asher; quarterback Joe Andrews; and tackle Dan Conklin also played important roles, as did the entire team, in improving on last season's 3-5 record.

End Greg Carr eludes a defender while executing his pass pattern.

Carr proved to be the biggest offensive threat, as displayed here by his ability in pass receptions.

JV's Suffer Through Dismal Season

The Colts finished their 1967 season without a regular season victory, posting an 0-6 won-lost record. Under the reins of Coach Delbert Burson and Assistant Coach Larry Krabill, the Colts displayed tact and coordination which failed to show up in the scoring columns due to lack of depth and limited team resources.

Frosh Balance Season

The Frosh football team ended their 1967 season on a balanced note . . . 2 wins, 2 losses, and 2 ties. The Frosh were led by three stalwart players, Bernie Bach, Rich Sechler, and Steve Utley. They were commended by Coach Pete Johnson for their performances as was the entire team.

Harriers Fourth Place Finish Best in Years

Northville's Cross-Country team rose to a fourth place finish in the WOCL Standings from the cellar position it had occupied since finishing second in 1961. They had their largest turnout in history, and fielded a JV team for the first year to date.

Cross-Country runners require stamina, can't blame their own poor performances on teammates, and compete without a "Pep Band" playing in the hills. The Harriers 4-5 record and third place finish in the Regionals proved they were worthy opponents, and Coach Paul Osborn looks forward optimistically to the 1968 season.

Front row: J. Castillo, D. Holloman, J. Main, R. Pohlman, J. Peterson, K. Boerger, P. Serwatowski, D. Kriss, B. Harrison. Row 2: D. Orphan, M. Petteys, B. Sullivan, J. Pauli, J. Taylor, M. Petteys, B. Kriss, S. Kaake, P. Kennedy, P. Bedford, Coach Paul Osborn.

Paul Bedford sets the pace for an early Northville lead.

Track: Stronger Than Ever

All but one member of last year's varsity track squad returns to play havoc on the rest of the W.O.C.L. this year.

After finishing a close fourth in the Wayne County and winning the underclassmen Championship (a test of next year's strength) the track squad with team captains, Grant (Henry) Carr, Bill Harrison, and Chuck (Rabbit) Keegan, hope to become the Wayne County Oakland League Champs.

Front: Coach Redmond, J. Peterson, G. Carr, P. Kennedy, J. Dawson, J. Pauli, R. Gloetzer, R. Simpson, M. Ratcliffe, C. Kline, R. Lamp, C. Keegan. Back: R. Sherman, D. Johnson, D. Veresh, J. Jayvees Top League

Mr. Kucker's Junior Varsity Basketball team sent the rest of the league flying this year with another championship with a 1 — record. High scorer Ron Hubbard led the Colts this year with some all round assistance from Fred Holdsworth, Mark Sheffer, Terry Mills and Rick Adams. This years J.V. team should really make the grade next year after doing so much here.

Front row: Mgr. D. Taub, R. Balko, J. Balkwill, J. Penrod, R. Hubbard, R. Adams, D. Holdsworth, T. Mills, Back: D. North B. Meyers, D. Veresh, M. Sheffer, D. Johnson, T. Hutcheson.

Frosh Come From Behind

This years Championship was contested repeatedly throughout the season and ended up in a close finish with our Mustangs in second place with an 11-3 record.

The Mustangs effort was lead by center Randy Pohlman with a 16 point average and a 67% clip from the free throw line. He was followed by Jim Peterson, Bob Hubbert, and our stalworth guards, Ken Boerger, and Joe Andrews, who rounded out the Mustang five.

Frosh Basketball experienced one of the wildest seasons in quite a few years. They started out with high hopes only to find the cellar for the first half season then staged a remarkable comeback to finish with a 6-8 league record. Thanks go to the great job done by Mr. Harrison, and his boys, including the staunch efforts put in by Kerry Cushing, Bernie Bach, Steve Utley, and Rick Seckler.

Left to right: K. Cushing, J. Darnell, S. Utley, R. Staddard, B. Bach, R. Pickeren, D. Wright, R. Sechler, P. Condon, K. Suckow, D. Zema, D. Martan, Coach Mr. Harrison.

Mustang Power

Throughout the varsity basketball season some unknown force came to the rescue when needed. Mustang power is as good as any term to define the Mustang combination of team spirit, team play, and cool under pressure. For quite a few years now the varsity has had Mustang power. This is undoubtedly a tribute to Mr. Longridges superb job of coaching.

Thanks a lot for giving us something to cheer about. **THE MIGHTY MUSTANGS !!**

Up up and away!

Go get em Mustangs!

First row: Coach Jack Townsley, M. Griffin, J. Sasse, D. Kriss, B. Baber, J. Tam, K. Olewnik, Asst. Coach Mr. Willing. Second row: C. Olewnik, D. Sasse, B. Jones, R. Suckow, B. Conklin, G. Wilkaryz, D. Conklin. Third row: M. Jones, M. Petteys, J. Armstrong, R. Ording, K. Marburger, D. Price, R. Hammond, S. Kaake, B. Kriss. Fourth row: V. Parent, T. Sissom, B. Beason, S. Bagdon, R. Newby, M. Pettys, R. Marburger. Absent J. Gustaf, P. Cayley, Co-Captain, C. Keegan.

Coaches Townsley and Willing's pride and joy!

Wrestlers Seventh in State

This year's Wrestling team, wrapped up the Wayne-Oakland competition early with a tough showing and went on to a overall 16-9 Won-lost record. This occurred against rough Double Class A teams. Their 7th place showing at state proved the type of team they had.

Following are the varsity wrestlers, 95# Mark Griffin, 103# Bill Kriss, 112# Bob Baber, 120# John Tam, 127# Marty Richardson, 133# Kurt Olewnik, 138# Don Sasse, 145# Brian Jones, 154# Rick Suckow, 165# Brad Conklin 180# Greg Wilkaryz, Heavy weight Dan Conklin.

Triple Crown in Sight

Mustang baseball has been tops in the Wayne-Oakland league for the past two years. This year with another strong varsity team in the making, coach Willing hopes to bring home the traveling trophy to Northville for good.

Returning veterans include Stan Nirider with a .301 batting average, Joe Donner and Dennis Primeau with records of equally satisfactory performance. Pitcher, Bill Skelly, led the 1967 squad in league competition with a 6-1 pitching record.

The 1968 Mustangs expect to at least equal last year's 11-3 record. Best of luck to them. We'll all be looking forward to another "Mustang Victory".

That's the last time I bunt!!

Front: Coach Mr. Willing, D. Primeau, D. Anglin, L. Biddle, D. McMillan, J. Donner.
Back: B. Hubbard, R. Pohlman, S. Nirider, B. Skelly, R. Suckow. Absent J. Taylor and Richard Fisher, Mgr.

N-Club, "Is This Not the Winning Side!"

 Row two: R. Weston, R. Suckow, D. Sasse, P. Serwatowski, J. Asher, J. Andrews, J. Donner, J. Marks, K. Boerger, C. Keegan. Row three: B. MacDermaid, C. Kline, C. Skene, B.

Harrison, S. Nirider, K. Marburger, P. Cayley, B. Baber, D. Conklin, B. Mach, G. Heffner. Row four: G. D'Haene, B. Grysiewicz, D. Poppe, S. Butler, D. Holloman, J. Olewnik, G. Marshall, C. Frogner, J. Taylor, J. Pauli, P. Kennedy.

Tennis Team With Highest Hopes

C. Skene, M. Sheffer, M. Gazeley, B. Grysiewicz, Captains, K. Boerger, R. Burnett.

The Tennis squad coached by Mr. Norton and led by veteran Captains Ken Boerger, and Randy Burnett who returned this year after a close 2nd place finish in the Wayne-Oakland with a 14-5 record. The doubles combination of Burnett and Boerger finished 8th in State competition and their individual records were identical with 26 wins and 4 losses.

This years squad hopes to send two boys all the way after winning the Wayne-Oakland. Best of Luck!

Golfers Anticipate Season

Front: E. Zwiec, P. Nelson, J. Jones. Coach Mr. Jones, J. Asher, J. Penrod, T. Fagan. Absent, G. Neisch, Billie Thomas and D. Condon.

Well, Freshmen. This is your first year of high school. Shock! The first year is always the hardest. This year we have a good lot of Freshmen. They jumped right in. They helped final exam depression by giving a Continental Breakfast and during pep rallys you should hear them yell! Go Freshmen! Only three years left.

Juniors Make Their Mark

The Junior class turned from its disorganized state into unity, enthusiasm and co-operation led by the class officers. Their magazine sales surpassed any other previous records in Northville High. Thus they were able to have the Junior Prom, although it was a wee bit late! Although failing to have the winning homecoming float, rivalry over the seniors won the Forensic Christmas award. Watch out Northville — Juniors are comin' on strong.

SPRIT OF '68

Well, in just a few days, all of us seniors will be saying farewell to this place of education and broadening of the mind. Would you believe most of us? How about a few? Two?

I am sure that in looking back on our four years in this house on the hill, we certainly feel a strong pull on our hearts. An attack, perhaps? Those who feel faint with emotion (of which there must be at least 250) at remembering these years of hard work (the number just dropped to 150), study (down to 75), and learning, (the same two) are those who have no doubts about the tenth of June. They are probably the ones who had enough confidence, and intelligence, to remember their \$4.25 or \$4.75 for their cap and gown; were also the first to turn in their full name for their diploma and remember graduation announcement money.

Never during this past year have any of us ever thought of quitting the whole business. Everyone had their work done before it was even due. Term papers were completed two weeks after the assignment was given. Tests were studied for with enthusiasm which we will never forget? How can we forget, we

can't even remember?!

Will anyone ever forget our great float and how wonderful Snoopy was? I doubt it. I believe that probably on your wedding day or graduation from college, you will not be thinking of what is happening, you will be thinking of your senior class float and how much fun you had at the float meetings. We never got any work done, of course, but they sure were fun. Up until the last possible moment most of our time was spent in posing for pictures, seeing how other classes were coming along, and throwing white ovals full of protein and vitamins at a certain class one year behind us. We had to break them in somehow. Seniors came out ahead, of course. As a result, we had a spur of the moment treaty with the Juniors in the auditorium. Boy, we'll do anything to get out of class. Then with our great artistic ability and great intelligence, we threw together a float that was a sure winner. And we never had any doubts, did we gang? Well, the year's almost over and we won't be a class anymore. Let's all sign a pact to get together on June 10 every ten years at Bel-Nor (if it holds up that long). See ya there!

Virginia Round, Editor

Mr. Riddell, Advisor

Editors Ending Note

Dear Reader:

Now you have come to the end of this book, just as we are nearing the end of the school year. As editor of this year's "Palladium" it has been my privilege to help in compiling all the exciting happenings of the year into the book which you now read.

Mr. Riddell, the staff and myself have tried to produce a book which is not just a Senior "memory book", but is a history of all the important events which all the classes experienced. As any staff member will tell you, many hours after school, on Saturday, and during vacations were spent in meeting a deadline. The success of our efforts is up to you, the reader, to judge. However, I would like to commend all the people on this year's "Palladium" Staff for their hard work, and thank our advisor, Mr. Riddell for his patience and advice.

However you, as a student and reader, also deserve recognition. It is your activities and efforts here recorded that deserve the greatest reward.

Thank you.
