

# Moose Lodge has big fund-raising season

Northville Moose Lodge No. 1190 is singing the praises of the generous community that helped the organization exceed its fund-raising goal for the holiday season.

Junior Past Governor Leland Blaim says the lodge was able to raise \$5,000 in cash and merchandise for distribution to needy families this Christmas, far surpassing expectations on the year.

"We never anticipated it getting this big," he said. "There isn't a lodge in Michigan that can match us."

Blaim said the fund-raising ball got rolling when an anonymous donor promised to contribute \$1,200 if lodge members raised \$600 among themselves. Blaim was afraid lodge members wouldn't dig that deeply into their pockets, but, despite his misgivings, the members of 1190 put a total of \$782 into a donation jar inside the Moose building at

18418 Northville Road.

But that was just the beginning of the fund-raising success story.

Meljers, Montgomery Ward and Target stores all offered sizable gift certificates, and individuals contributed consumer products.

Before it was over, the lodge had an electric stove, a vacuum cleaner, clothing, frozen turkeys, stuffed toys, soaps, medicines and Christmas trees to help brighten the holiday with.

According to Blaim, the goods made it possible for 13 different families in the area to have Christmas celebrations.

And the giving didn't end on Dec. 25. Blaim said a Target store gave the Moose Lodge an artificial tree, trimmings and all, that had been on display in the store.

"It must have been 7-feet at the base with hundreds of bulbs," Blaim said. "It was a beautiful tree."

"I'm kind of proud of the way it went."

Junior Past Governor  
Leland Blaim

Blaim said it took him over two hours to strip the tree of all its ornaments.

He later gave the tree and the decorations to Star Manor Retirement home in Northville.

The lodge's Christmas account still contains \$812, more than the entire amount the lodge raised last year.

The money has been earmarked for community service projects.

"I'm kind of proud of the way it went," Blaim added.

Lodge No. 1190 has approximately 300 members.

# Army donations top goals

Continued from 1

ber goal by roughly \$23,500. Holiday contributions totaled \$223,527 - topping this year's \$200,000 goal

The army - which serves Northville city and township, Plymouth city and township and Canton - received more than \$126,000 through mail donations and \$97,000 in kettle contributions. The organization received 4,000 responses from some 6,500 mail requests.

The army entered the fund-raising season on uncertain ground as officials at Meljers stores prohibited organizations from soliciting for donations this year on store

premises, Van Landingham said.

The two Meljers locations in the area generated \$22,000 in collections last year. The some 1,000 volunteers, however, were successful in compensating for the loss and managed to raise \$23,000 more than last year.

Van Landingham said he is thankful for the hordes of volunteers who donated their time. This year's roughly 750-1,000 volunteers substantially outnumbered the 500-600 bell ringers the organization traditionally has recruited.

In addition, Van Landingham said the army cut down on the number of hours they paid bell ringers by 400 because of the outpouring of help this year. When

volunteers are not available, the Salvation Army employs student or people needing work at \$6.50 per hour.

Although the organization was successful in reaching its year-end goal, the army's fund-raising season does not finish until the end of January.

\$40,000 to raise in order to reach its seasonal goal of \$260,000.

The reasons for such decision not to prepare such a Statement are as follows:

No adverse effects are expected as a result of undertaking this project. An environmental Review Record respecting the above project has been made by the County of Wayne which documents the environmental review for the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at the office of the Charter Township of Northville, 41600 Six Mile Road, Northville, Michigan, 48167, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday. b) That the applicant's environmental review record for the project indicates omission of a required decision, finding or step applicable to the project in the environmental review process.  
Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to HUD at: McNamara Building - 17th Floor, 477 Michigan Avenue, Detroit, Michigan 48226.
