• The American Red Cross helps people prevent, prepare for and respond to emergencies. • We unite families and loved ones separated by war and disaster. • We're in your neighborhood every day, providing disaster preparedness information and teaching classes in first aid, lifesaving and water safety, to help keep families like yours safer. • We're not a government agency, but an independent organization that depends on donations from people you to survive. • Our volunteers give their time to help others.
There are many reasons to contribute to the Red Cross. Then again, one reason is all it takes.
